

START AHEAD

Reasons to choose UW-Fond du Lac

UW-Fond du Lac, one of the 13 freshman/sophomore campuses of the UW Colleges, is your best start on a bachelor's degree and unlimited career opportunities.

- **Small classes** (average size is 26 students), with plenty of one-on-one attention, make the transition to college less stressful.
- The best start doesn't come with a big price tag. **We offer the lowest tuition in the UW System.**

- **Professors are approachable.** In addition to being great teachers and scholars, they are known for going the extra mile to help students succeed during the critical first two years of college.
- When you're ready to move on, the **UW Guaranteed Transfer Program** ensures admission to the UW four-year campus of your choice including UW-Madison.
- **Our students graduate at higher rates** than students who transfer from technical or private colleges.
- Our **"Engaging Students in the First Year"** program will help you learn what it takes to be successful in college.
- **A strong curriculum** provides a solid foundation for success in future academics and careers.
- **Advisors are readily available** to help plan your class schedule, explain transfer options and examine career choices.
- **Opportunities for involvement** (athletics, clubs, the arts) are within your reach immediately so it is easy to meet people and fit in on campus.

Start ahead by paying the **lowest tuition in the UW System** when you attend UW-Fond du Lac.

- Live at home a year or two and **save up to \$15,000 on room and board expenses.** Many students actually leave UW-Fond du Lac without any debt.
- Attending two years at UW-Fond du Lac **saves you more than \$4,800** in tuition compared to the other four-year UW campuses, **and up to \$9,600** compared to the Madison and Milwaukee campuses.
- Almost half (45%) of the financial aid offered is in the form of **grants and scholarships** that don't have to be paid back; 64% of our students receive financial aid.
- **Keep your current job** while you attend classes or see if you are eligible for a work-study job.
- **Only 39% of UW Colleges students** use student loans compared to 55% at UW four-year campuses.

How to pay for college

Most aid is based on financial need and is designed to help meet the difference between the cost of college and your (or your family's) ability to pay.

To find out if you are eligible for financial aid, you need to complete the Free Application for Federal Student Aid (FAFSA) available at www.fafsa.ed.gov. Be sure to write in UW Colleges code #003897.

You may apply for financial aid anytime after January 1 preceding the academic year that you plan to attend college. If you have submitted all forms by April 1, you will be given funding priority.

There are four types of financial aid: grants, loans, work-study employment and scholarships. Each year, UW-Fond du Lac awards more than 30 scholarships totaling over \$25,000. For complete information, visit www.fdl.uwc.edu/admissions or call the Foundation office at 920-929-1335.

If you are like most students and are undecided about a major, an Associate of Arts and Science (AAS) degree can be particularly valuable. It fulfills the University of Wisconsin's system-wide general education requirements for freshmen and sophomores.

You also have the choice of earning the AAS degree with a specific Emphasis (a concentration of coursework in a given discipline or area of study). This is an opportunity to enhance your AAS degree with a direction geared toward a specific major.

Emphasis programs currently available at UW-Fond du Lac are listed below. Available Emphases could change so check with our Student Services Office for the most up-to-date list.

- Anthropology
- Biological Sciences
- Business
- Chemistry
- Communication Arts
- Computer Science

Bachelor/Collaborative Degrees

www.fdl.uwc.edu (click on Degrees)

How do you earn a bachelor's degree? You meet course requirements in two main categories.

- General education requirements offered at UW-Fond du Lac. Many UW-Fond du Lac students mark the completion of the first half of a bachelor's degree by earning the Associate of Arts and Science degree (see opposite page).
- Major program of study. Many degree programs require some prerequisite courses before admission into a particular major. UW-Fond du Lac offers many of these prerequisites.

To receive a bachelor's degree, most students must earn a minimum of 120 degree credits. After getting your best start at UW-Fond du Lac you can complete your bachelor's degree by:

- Transferring to a UW four-year campus or any other college or university.
- Staying here at UW-Fond du Lac and taking advantage of the Collaborative Degree Program. We've teamed with UW institutions to offer the following bachelor's degrees right on our campus:

Guaranteed Transfer Program

The Guaranteed Transfer Program makes it possible for students to begin their education as new freshmen at UW–Fond du Lac and be guaranteed admission as a junior to any of the UW four-year campuses including UW–Madison.

After fulfilling certain credit and grade point average requirements, you will transfer with all the rights and

privileges as those who began their education at the four-year campus.

To learn more, check out www.uwc.edu/transfer/guarantee.

Credit Transfer

How will your credits transfer? The answer is just a click away. The Transfer Information System (TIS) website at tis.uwsa.edu makes the transfer process understandable by showing:

- How the courses you take at UW–Fond du Lac will transfer to any campus in the UW System.
- Which courses to take to fulfill specific requirements at your intended transfer campus.

UW Colleges is fully accredited by the Higher Learning Commission and is a member of the North Central Association. Therefore, credits earned at UW–Fond du Lac will also be accepted by private colleges and universities in Wisconsin and throughout the country.
