

COLLEGE FOR KIDS/LEAPS! REQUEST FOR PROPOSALS

The University of Wisconsin-Fond du Lac is seeking instructors for its 2012 **College for Kids** and **LEAPS!** (Learning Enrichment For Able Primary Students) Programs. Both **LEAPS!** and **College for Kids** are open to highly able and motivated children. Program information includes:

	<u>College for Kids</u>	<u>LEAPS</u>
Dates:	July 23 – 26, 2012, <i>Monday – Thursday*</i>	July 30 – August 2, 2012, <i>Monday – Thursday*</i>
Grades:	Entering 5-8	Entering 2-4
Times:	Session I: 9:00 -11:50 a.m. Session II: 12:30 - 3:20 p.m.	Session I: 9:00 - 10:15 a.m. Session II: 10:30 - 11:45 a.m.
Pay:	\$700.00 (includes lunch each day)	\$400.00

* *Thursday's schedule will be (CFK) 9a.m. – 4p.m. and (LEAPS!) 9a.m. – 12:30 p.m. to allow for full class sessions concluding with project display.*

Ideas for courses in College for Kids and LEAPS! include, but are not limited to: Robotics, technology, jewelry making, sculpture, paper making, cooking, cartooning, ceramics, insects, chemistry, flight, physics, astronomy, geology, geography, survival skills, criminology, paleontology, ecology, meteorology, algebra, foreign languages, American Sign Language, music, drama, problem solving, computing, writing, journalism, photography, architecture, leadership, geocaching, veterinary science, medical science, engineering, law, etc.

We encourage collaborative teaching (co-instruction with another instructor) and partner courses. **ONLY NEW MATERIAL PLEASE.** *Companion courses are also encouraged, especially for LEAPS!* If you have a passion for teaching and experience instructing gifted/talented children, you will enjoy teaching in our facilities (science labs, greenhouse, theatre, art room, music lab, classrooms)!

Please submit the following by *February 10, 2012:*

Course Title, Course Objective, Course Description, Proposed Supply Budget, Biographical Information, E-mail Address, Telephone Number, Home Address

Incomplete proposals will be returned. Please direct your proposals and questions to:
